Sustainability Camp!

Campers will explore sustainability concepts and team up to help Operation Smile patients affected by cleft conditions.

STEMPOWER

Operation Smile is committed to empowering young women in healthcare by sparking a passion for STEM! This program is specifically tailored to girls, aiming to inspire and prepare the next generation of women in medicine.

THE ANTHONY L. & HIDEKO S. BURGESS
INTERACTIVE LEARNING CENTER

What is the ILC Young Scholars Program?

Operation Smile invites local young changemakers to join us in taking action for a sustainable future for all. Students are invited to spend a week at the Anthony L. & Hideko S. Burgess Interactive Learning Center (ILC) located at Operation Smile Global Headquarters in Virginia Beach, learning about STEAM, healthcare, sustainability and the role they play in helping make the world a better place!

Who can apply?

7th- and 8th-graders with a curiosity about STEAM and sustainability and a passion for making a difference are encouraged to apply!

When is the camp?

Sustainability Camp will be held from 9 AM-3 PM ET from Monday, June 24th to Friday, June 28th. STEMPOWER Camp will be held August 12th-16th. Upon acceptance to the camp, we ask that you attend the camp in its entirety.

How can I apply?

Students must complete an application to be considered for the program. Students will be selected based on how the program can best serve them and availability.

Application Deadline: May 4th

You will be notified of your acceptance decision by Friday, May 10th
